Notification: Request for clarification - Greece

Thank you for submitting the Greek investment plan on 29 November 2025.

In your letter, you state that “the tentative budget allocation of EUR 787 million for the Hellenic Republic does not correspond to the actual requirements identified ...” and that you “therefore respectfully request that DG DEFIS review this allocation and significantly increase it to the level requested.”

Please note that, as stated in the letter from Commissioner Kubilius to Minister Dendias (Ares(2025)747857 of 9 September 2025), “the Commission followed the principles of equal treatment, solidarity, proportionality and transparency to attribute tentative loan amounts. In this respect, the minimum and maximum loan amounts requested have been considered.”

We therefore kindly ask you to consider submitting a SAFE investment plan that aligns with the tentative allocated amount of EUR 787 669 283 and fulfils the eligibility requirements of the SAFE Regulation.

In your investment plan, please ensure that, for single procurements, you indicate how the provisions of Art. 4(3) of the SAFE Regulation will be fulfilled.

A swift reply from your side would allow us to advance on the assessment of your investment plan in view of the related Council Implementing Decision.
